#### **Reception for Class of 2010 Participants**

Class members meet other class participants, board members, and alumni.

#### **Introduction**

Orientation to the Leadership Program, clarification of program expectations, personal goal-setting for the program, introduction to Sharepoint—the LP communication software program.

#### **Team Building Retreat**

Team building, experiential exercises. Identification of participants' work style and preliminary discussion on class project.

#### **Class Project Discussion**

Class discusses project and selects project teams.

#### **History and Project Boot Camp**

Exploration of Pasadena's history and its impact on the present. Everything you need to know about the LP Project Process: project guidelines, fund development, PR, and time management. Choosing project team leaders, and hearing past project leaders' experiences.

#### **Education**

Historical perspective, challenges to our educational system, city and community-based partnerships, shaping and implementing a preferred future.

#### **FIRST PROJECT REVIEW**

#### **Personal Leadership**

Creating a plan for personal leadership. Coordinating personal, organizational, and community visions.

#### **Government**

Learn about structure and function of government within Pasadena, meeting key government decision-makers and public-private partnerships.

#### **SECOND PROJECT REVIEW**

#### **Quality of Life and the Arts**

Understanding components and measuring quality of life including health, safety, and faith communities.

#### **Business and Economics**

Trends, cross-sector partnerships, managing diversity, impact of technology, industry challenges for employer and workforce, economic development, and challenges of economic disparity in employment and housing.

#### **Lessons Learned**

Individual report-outs of leadership goals and personal growth achieved during the program.

#### **Preparation of Class Project Presentations**

Class participants prepare final presentations.

#### **Graduation**

VIP luncheon and presentation of program outcomes.
